MEMORANDUM FOR: Director of Personnel
Deputy Director for Operations
Deputy Director for Intelligence
Deputy Director for Science and Technology
Deputy Director for Administration

FROM: [REDACTED]
Acting Inspector General

SUBJECT: Forthcoming Inspection of Entry-On-Duty
Processing

1. A three-man team of inspectors, headed by [REDACTED], who is to be joined by [REDACTED] and [REDACTED] will soon begin an inspection of Entry-On-Duty (EOD) processing. This inspection was requested by the former DDCI earlier this year and has been endorsed by the current DDCI. It represents a followup to certain aspects of the 1980 survey of the recruitment process, but we will not attempt to revisit the entire range of issues covered by that survey.

2. The inspectors wish to talk with managers and other personnel in those offices which are responsible for EOD processing and in components which are taking on a significant number of new employees. In addition, they intend to survey a representative sample of recently hired employees so as to benefit from their perceptions.

3. It would be helpful to us if you would advise appropriate senior managers that this inspection is about to take place.
